

MAINE MESSENGER

FRIDAY, APRIL 22, 2022

Congratulations to all of Maine School and to Mrs. Kmiecik's class! As a whole school we collected 785 items for the Northwoods Wildlife Center. Way to go everyone! That's some great synergizing! Mrs. Kmiecik's class won the root beer float party for being the class to bring in the most items. The Northwoods Wildlife Center will come on Mon. April 25 in the morning for the assemblies—8:40-9:25am for grades 3-5 and 0:35-10:05 for grades K-2. Thank you so much for your great work helping the animals and nature around us, as we celebrate Earth Day this Fri., April 22.

WELCOME MRS. LAWSON

It is my pleasure to welcome Mrs. Lawson to Maine Elementary as our long term substitute in art. Mrs. Lawson is a retired 4th grade teacher from South Mountain who is also very skilled in the arts. Earlier this year she taught music and we are fortunate to have her here through the end of the year to teach art. Students are working with Mrs. Lawson to complete one art project for our Art & Author Fair on May 16 where each student will have a piece of artwork and a writing project displayed.
